

**Dr Heidi Prozesky** is currently a Senior Lecturer at Stellenbosch University's (SU's) Department of Sociology and Social Anthropology, as well as a Core Team Member of the DST-NRF Centre of Excellence for Invasion Biology.

Her teaching, supervision and research interests include environmental sociology, sociology of science, and social science research methodology, and in 2006 she was awarded a PhD (Sociology) on gender differences in the publication productivity of South African scientists.

In addition to serving on the Board of HERS-SA, Heidi is a member of the Executive Committee of SU's Women's Forum, represents non-professorial staff on the university's Institutional Forum, and is a member of the international Women in Higher Education Management (WHEM) Network.
